# Course Highlights

# Syllabus

## Module 1

### ***Pre work to Vibration Analysis (Level 0):***

**Target Audience:** All who are new to Vibration Analysis and system thinking field.

**and Pre Read:**

- **18 Interactive Video session and 9 Set reading material of Basic Course.**
- **1 Day Class room session**

**For Certification Contact Admin of your organization:**

## Module 2

### ***Pre work to Vibration Analysis (Level 1):***

**Target Audience:** All who are beginner to Vibration Analysis and system thinking field.

**Pre work and Pre Read:**

- **18 Interactive Video sessions and 9 Set reading material of Basic Course.**
- **11 Interactive Video sessions and 7 Set reading material of Fundamental Course.**
- **1 Day Class room session with examination at PMI.**

**For Certification Contact Admin of your organization:**

## **Module 3**

### ***Pre work to Vibration Analysis (Level 2) :***

**Target Audience: All who are working in Vibration Analysis and system thinking field.**

**Pre work and Pre Read:**

- **18 Interactive Video session and 9 Set reading material of Basic Course.**
- **11 Interactive Video session and 7 Set reading material of Fundamental Course.**
- **20 Video case studies session and 7 Set reading material of Advance Course**
- **2 Day Class room sessions with examination at PMI**

**For Certification Contact Admin of your organization:**
